

PRODUCT TECHNICAL SHEET

All Surface Cleaner

Once applied keeps killing bacteria for up to 24 hours.

Our TGA listed All Surface Cleaner is mildly scented & a proven hospital grade disinfectant killing 99.9999% of germs and bacteria, leaving a protective barrier. Making it the only product you will ever need for all your cleaning, sanitising and odour control needs.

Our All Surface Cleaner formulation was tested and proven to kill 99.9999% of the Feline Calicivirus (OCSPP:810 2200), of which regulatory departments like the USEPA are using as a surrogate to determine which disinfectants are effective against the potentially fatal Human Coronavirus also known as Covid-19.

Formulated from plant-based ingredients, our All Surface Cleaner stands alone as the safest and greenest cleaning product available on the market. With an inbuilt detergent system that effectively breaks down dirt, grease and grime on most surfaces including glass, mirrors and stainless steel.

Seed Organics proudly boast the following environmental safety requirements;

- Contains No Volatile Organic Compounds (VOCs).
