

PRODUCT TECHNICAL SHEET

Hand Disinfectant

Your personal protection against the planet's nasties. Here's why...

Our Hand Disinfectant formulation was tested and proven to kill 99.9999% of the Feline Calicivirus (OCSPP:810 2200), of which regulatory departments like the USEPA are using as a surrogate to determine which disinfectants are effective against the potentially fatal Human Coronavirus also known as Covid-19.

Our Hand Disinfectant is the result of botanical chemistry blended with aromatic notes from nature. Providing you the ultimate protection against the planets nasties but mild enough to use on your hands as a leave on or rinse off whenever needed.

Seed Organics proudly boast the following environmental safety requirements;

- Contains No Volatile Organic Compounds (VOCs).
- Contains No Hazardous Components.
- Contains No Nonylphenol Ethoxylates (NPEs).
- Contains No Ozone Depleting Substances (ODS).
- Contains No SARA Section 313 Reportable Ingredients.
- Contains No Phosphates.
- Contains No Heavy Metals.
- Contains No Chlorine.
- Contains No Phthalates (PVC).
- All products Packaged in Environmentally Responsible Packaging.
- Has Only Zeros or Ones on HMIS® III Numbers for Health, Flammability, Physical Hazard.
- HACCP Certified Manufacturer.

Directions

Using a mist/foam applicator, apply onto hands and either leave on or rinse off.

TECHNICAL DATA SUMMARY

COLOUR	Clear
FRAGRANCE	Pina Colada
DILUTION RATIO	Refer to label for applications
PH LEVEL AT USE DILUTION	7.00 – 8.00
TGA REGISTERED	Yes
ARTG ID	303181
SHELF LIFE	2-years

SIZE	PRODUCT SKU
100ml	HS-RTU-100-ML
200ml	HS-RTU-200-ML
500ml	HS-RTU-500-ML
5LT	HS-RTU-005-01
20L	HS-RTU-020-01
1000L	HS-RTU-100-01

INGREDIENTS Quaternary Ammonium Compounds, Mineral Salt Solution, Inert Ingredients, Orange Oil White, Ho Wood Oil, Nutmeg Oil, Vanilla Oleo, water
